

Sanitary Sewer System Survey for the Town of Wachapreague's Waterfront Business District

This survey is intended for businesses and other institutions in Wachapreague's Waterfront Business District that may connect to a future sanitary sewer system in order to determine interest in voluntary sewer hook-up, costs businesses are willing to bear to connect, sewage flow rates, and the potential expansion and revitalization of the Waterfront Business District.

This survey is being distributed by the Accomack-Northampton Planning District Commission on behalf of the Town of Wachapreague as part of the Town's Hotel Market Study and Preliminary Engineering Report (PER) for a sanitary sewer system.
